

# Understanding SEP-IRAs

An Option to Consider When Saving for Retirement

Insurance products can be issued in all states, except New York, by Pacific Life Insurance Company and in all states by Pacific Life & Annuity Company. Product/material availability and features may vary by state.

**No bank guarantee • Not a deposit • May lose value  
Not FDIC/NCUA insured • Not insured by any federal government agency**

## What Is a SEP-IRA?

A simplified employee pension (SEP) IRA is an employer-sponsored retirement savings plan that is easy to establish and administer. It allows you to make annual, discretionary, tax-deductible contributions for your employees.

## Who Can Set Up a SEP-IRA?

Self-employed individuals often set up SEP-IRAs, although corporations, partnerships, tax-exempt organizations, and state and local government entities also are eligible to establish SEP-IRAs.

## How a SEP-IRA Plan Works

You may establish a SEP-IRA by completing IRS Form 5305-SEP, by adopting a prototype SEP-IRA plan document, or by creating an individually designed SEP plan. The deadline for establishing and funding a SEP-IRA is the tax-return due date of the business, including extensions. Any contributions are deposited into individual SEP-IRA accounts owned by each eligible employee. The maximum annual contribution per eligible employee is limited to the lesser of either 25% of compensation or \$70,000 for 2025.

### Key Features

- Easy to establish and administer.
  - No IRS Form 5500 reporting.
  - No third-party administrator necessary.
- From year to year, you may vary contribution percentages or stop contributions altogether.
- Can offer employees the ability to treat contributions as a post-tax Roth IRA (in whole or in part).
- Can now be set up by employers of domestic employees (i.e., nannies) to provide retirement benefits.
- Employees make investment decisions.
- Contributions can be made up to the tax-return due date of the business, including all extensions.

### Points to Consider

- Using a pro rata contribution formula, you must contribute an equal percentage of compensation for all eligible employees.
- All contributions are 100% vested immediately.
- Part-time employees may be eligible to participate.
- A SEP-IRA is considered an employer-sponsored retirement plan and therefore may affect employees' ability to make deductible IRA contributions.
- Employees are not permitted to take loans from their SEP-IRAs.

Look to the strength of the insurance company with regard to such guarantees because these guarantees are not backed by the independent broker/dealers, insurance agencies, or their affiliates from which products are purchased.
